

Terrace flooring R 30 mm

Product Code: TZ30

Net Price: £55.63 / m²

Gross price: **£66.20 / m²**

characteristic

properties

- pleasant, elastic feel when walking, just like on forest floor
- sustains garden furniture, high heels, gym equipment, etc.
- absorbs sound and vibrations
- water-permeable and quick to dry; tile underside facilitates drainage
- heat- and cold-insulating; fall-attenuating
- weather- and frostproof, uv-resistant, resistant to chlorine water
- slip-resistant in wet and dry conditions
- easy to maintain, self-cleaning (with rainwater)
- reusable, very economical
- for indoor and outdoor use

installation

- on a [bound subfloor](#) (concrete, asphalt, tiles, composite panels, roof foil or felt, etc.)
- on an [unbound subfloor](#) (compacted grit or gravel)
- strong, form-fit connection between the tiles through the interlocking zip formed on all tile edges
- do-it-yourself or hire a local handyman
